

## FROM THE PRINCIPAL

End of the term ALREADY! I feel like this term is over before it really began!

It has been such a busy term full of teaching and learning, NAPLAN, On Entry, sporting experiences, Minister visits, P&C events and Edudance. I look back at this term and am very grateful of the support I have had in my first term as the CPS Principal from students, staff, families and the wider community. Thank you to everyone.

We have had a few necessary changes across the school which I know will reap benefits for our students and their academic, social and emotional progress in the long term. Thank you for everyone's understanding with these changes.

We are heading into the cold and flu season soon, on top of gastro and COVID that are always around. Schools are the perfect environment for the spreading of bugs, germs and viruses. A reminder as we head into this season to keep your child at home if they are unwell, as one sick child soon becomes 'many' in a school environment.

Heading into Term 2, we will be starting our 'Sense of Wonder' project across the school, and cannot wait to sense what adventures in learning across the curriculum this brings.

I wish everyone a happy Easter, and a relaxing break. Thank you to our staff for all their hard work this term. It is always appreciated. I look forward to seeing you all next term.

**Sarah Baden-Powell**

## P&C UPDATE

What a fantastic afternoon we had on Tuesday! A huge thank you to our P&C members for sharing their baking skills and everyone for coming along to the EduDance concert and P&C afternoon tea. It was a fabulous afternoon of dancing and celebrating our school community.

We are so grateful for the support shown for the P&C Easter raffle. Thank you for the donations of goodies and for selling tickets far and wide! Together we raised an impressive \$621 which is an excellent start for our 2024 fundraising efforts. Congratulations to all our winners and we hope you enjoy your Easter goodies.

Special thanks are due to Bethany Carlsson and Kelly Muller for organising the raffle and Tim Loosemore for organising the afternoon tea.

Next term we have a series of regular events planned for after school and focussed on our banksia bushland. More details to come! And if you have any old phone books that you no longer need, please let Rebecca Brockman know ([president@curtinprimarypandc.com.au](mailto:president@curtinprimarypandc.com.au)).

Enjoy the holidays!

Curtin Primary P&C
